Greetings from Commodore Daniel A. Grande

I wish to welcome all sailors and participants to the 2004 U. S. Youth Multihull Championship to Sea Cliff Yacht Club. This is the first time our club has had the honor of hosting this event. Sea Cliff Yacht club has a longstanding tradition of catamaran sailing. The International Catamaran Challenge Trophy [ICCT] originated here and historically our members have been actively interested in multihull sailboats. For many years the event fostered the development of state of the art sailing in this class of yachts. So it with great pride that we welcome the top junior sailors in the United States to shores of Hempstead Harbor and Western Long Island Sound.

If you have time during your stay I would encourage you to visit our village and the surrounding area, which at this time of the year is in its prime. Feel free to ask anyone in the club for help or direction if you have any questions. Our club facilities will be open to you during your stay here in Sea Cliff. I expect that the competition out on the racecourse will be keen and I would emphasize the need to observe the tenets of good sportsmanship.

Those of you competing represent the best in sailing and that should be something you should be extremely proud of. Hopefully the winds of June will blow steadily for you from the South during the entire regatta. I look forward to meeting each of you personally during your visit and I wish all of you the very best.

Sincerely Yours,

Daniel A. Grande, Commodore

Wel come to Sea Cliff!

The second oldest incorporated village in Nassau County, Sea Cliff went from farming community to religious campground to summer resort between 1865 and 1920. During that time, most of the landmark Victorian structures were built. Today, Sea Cliff has more historical landmark buildings than any other Long Island community, all within the historic district and within walking distance of Hempstead Harbor, where yachting of all kinds has flourished for more than a century. ~ Eileen Krieb, Mayor ~

The Sea Cliff Village Museum á

Located on Summit Avenue, in the back of the Village Hall building, the museum is home to many photos, house models and costumes of Sea Cliff's early years. Through June there's also a unique exhibit of the vibrant Russian community—living in the Village since the early 1920's. There are two beautiful Russian Churches in Sea Cliff, as well. The Museum will be open Friday and Saturday, 6/24 & 25 from 2-5 p.m. *Admission is free!*
